Hangcha Forklift Company Profile

Overview of our products and strength

The World of Hangcha

SINCE 1956

HANGCHA

Welcome to Hangcha

HANGCHA is proud on its history and developments since it was founded in 1956. Initially as a state-owned company but transformed into a privately owned company in 2000.

In the 60 years history HANGCHA has, thanks to the hard work and support of all employees, determination of management and our continuous innovation efforts, developed from a small company into one of the leading global material handling equipment manufacturers in China and globally.

In China, HANGCHA has gained recognition as a successful company. It is on the list of the 1000 'Biggest Enterprises' , in the top 500 'Most Competitive' and in the top 500 'Biggest Private Enterprises', proving HANGCHA's direction has been right.

In 2018, HANGCHA ranked No.8 on the global list of material handling equipment manufacturers in the world.

Currently we manufacture annually more than 120,000 units of forklift trucks and warehouse equipment in our state-of-the-art factory in Li-an, Zhejiang province. And we are expanding production capacity further in order to meet the expected growing demand for our products in the coming years.

We shall push further ahead in our mission to be a supplier of high quality material handling equipment, which supports all our customers, both in China and all other countries around the world, with their materials handling processes.

We shall sincerely look for cooperation with our customers and our partners for a mutually brilliant future.
